ABOUT WUNDERS FURNITURE

Wunders Furniture features natural, minimal and contemporary designs. The interior and wood elements are **light and airy** with earthy, nature-inspired tones and textures *from the adjacent Cape Winelands*.

Including **textured fabric and leather upholstered pieces** from sofas, occasional chairs, ottomans and beds to dining chairs and benches, as well as a contemporary range of solid wood pieces from our Mac collection such as coffee and side tables, a dining table and server.

By incorporating **high-quality materials and thoughtful craftsmanship**, our furniture personifies understated elegance while honouring the estate's ethos of *authenticity and sustainability*. Our design intent is to provide a home where its residents, friends and family can unwind, and immerse themselves in the beauty of their surroundings.
